## A Message about the Board of Management

Change is part of our everyday lives. Sometimes it is really obvious to us and sometimes we just take it for granted and hardly take notice. If you have been into the Westboro Legion in the last little while, chances are you have noticed some of the changes. The Board of Management comprised of Joel VanSnick, Tim Blanchard, and Phil Whitehead have been busy along with many others, re-developing our service delivery model to be more fiscally accountable while remaining responsive to the mandate of the Legion. You have hopefully seen the reach out into the community, inviting Legion members and members of the community who are interested in supporting veterans, to become involved as volunteers. There is much work to be done and volunteers committed to the mandate of the Legion are playing a big part in our movement forward. Hopefully you have noticed some changes to the schedule of Saturday night dances and the introduction of special brunch events. We are continuing to focus on our hall rentals with the addition of fantastic food service with Ric's@480 and the hard work of Sharon Underhill who books the hall rentals. Look for more great things happening by visiting our on-line calendar of events, regularly. # Volunteer with the Legion

**People volunteer in their communities for a wide variety of reasons including:**

1. To be part of a friendly team of volunteers giving back.
2. To support the organization and to give back.
3. To have fun and make new friends.

## Volunteers Needed

"People volunteer in their communities for a wide variety of reasons. We would like you to consider becoming a volunteer with the Westboro Legion, where you will be part of a friendly team of community members all working together to support veterans. Everyone is welcome".

We are in urgent need of a volunteer cleaner for Sunday mornings at the Branch.

In addition we are looking for 5 energetic volunteers for our entertainment committee. No, we won't ask you to sing or dance but we will put your excellent organizational skills to work, planning and organizing social events for the branch membership throughout the upcoming year. The entertainment is a vital function within the Branch and besides, it's a great way to meet new people and get involved with your re-generated branch.

We want to offer a great big "thank you" to our members who volunteered to be bartenders. If you missed the last call, but would still like to do some part-time bartending, it is not too late to get involved and volunteer as a part-time bartender. Remember, it is part time and best of all.... the tips are yours to keep.

For more information or to add your name to our team of volunteers, please contact Phil Whitehead at [bluebelltango@gmail.com](mailto:bluebelltango@gmail.com)
